greenrubbertoy.com
Compliant With International Safety Standards

At Green Rubber Toy Exports Pvt. Ltd we manufacture toys that are fun, environmentally friendly and safe for children and adults to use.

Our products are made from Sri Lankan rubber, which is harvested from rubber trees in a natural process. They are individually handcrafted in Sri Lanka by very skilled craftsmen using age-old techniques, mainly by hand. They are very soft and flexible to the touch and they are beautifully painted with paints that are completely safe.

Our products support sustainable forests, they are educational and, last but certainly not least, they are loads of fun!
